# Welcome

---

Hidden in the scenic depths of Caledon Hills, Caledon Country Club is only 30 minutes from Pearson Airport and 45 minutes from downtown Toronto. Conveniently located 5 minutes North West of the Highway 410 extension, our setting is simply breathtaking for ceremonies and pictures.

The River Room holds up to 280 guests (and above, depending on type of function) for receptions and overlooks our outdoor terrace, the golf course, and the Credit River. Warm and inviting, it features hardwood floors throughout, with windows along two sides. Take advantage of the planning assistance you will receive as part of your booking and choose from one of our many packages or create a package of your own design.

Our experienced, professional staff focuses on each wedding as if it is the only wedding they will host. You will receive outstanding service and support throughout the planning process; allowing you to enjoy the entire wedding planning process and relax on "your big day". We believe our customization of packages is key, and are confident you will find the food beautifully presented and absolutely delicious.

If it is your dream to host your wedding ceremony outdoors, look no further. Our outdoor Gazebo and separate Rose Arbour are well-appointed to serve as the backdrop for your wedding ceremony. From the ceremony, guests can move to the terrace to enjoy a refreshing beverage or cocktail while you have photographs taken. Caledon Country Club is everything you'd hope for your special day.

*Complimentary Ride service for Bride & Groom (ONLY) for the day of the photoshoot (Max. 1 Hr.).*
